

Fluorescent Bulb Recyclers

Hazardous Waste Program fact sheet

1/2005

Missouri Certified Resource Recovery Facility

H.T.R. Inc.

P.O. Box 185, Lake Ozark, MO 65049 or
415 Kaiser Industrial Dr, Kaiser, MO 65047
Contact: Ray Kohout

1-888-537-4874 or (573) 302-7575, Fax (573) 302-7579

- Lamps that are recycled: Fluorescent lamps (straight, u-tubes, coated, dipped, and sleeved), H.I.D., and lamps with built in ballasts or starters
- Ballasts are collected for recycling
- This facility transports wastes
- Notes: Ballasts- They broker ballasts to two EPA approved recyclers. They are transported by a licensed hazardous waste transporter to Full Circle Ballast Recyclers, Bronx N.Y. or Wisconsin Ballasts, Muskego, WI.

Facilities Recycling Outside of Missouri

Some companies may be located within Missouri, but ship the items to be recycled out-of-state.

(Note: Some companies offer on-site bulb crushing, this is not allowed in Missouri.)

A-Tec Recycling Inc.

P.O. Box 7391, Des Moines, IA 50309
1-800-551-4912, Fax (515) 263-6970
Email Address: lyoung@a-tec-recycling.com
Web site: www.a-tec-recycling.com

- Lamps that are recycled: Fluorescent, HID, shielded, U-shape, crushed
- PCB ballasts are accepted and transported to a recycler of PCB ballasts
- Other items recycled: Mercury switches, thermometers, relays, thermocouples, mercury spill kits, liquid mercury, thermostats, capacitors (PCB and non-PCB), batteries, and computer components

AERC Recycling Solutions

2591 Mitchell Avenue, Allentown, PA 18103
1-800-554-2372
Web site: www.aerc-mti.com

- Lamps that are recycled: Fluorescent (straight, compact, u-shaped, and coated), mercury vapor, high pressure sodium, metal halide, ultra violet, and ARC
- Ballasts are accepted and transported to a permitted facility.
- Other items recycled: mercury devices, batteries, and electronics.

Air Cycle Corp.

200 S. 25th Ave., Suite C, Broadview, IL 60155

1-800-909-9709, Fax (708) 344-7875

Web site: www.aircycle.com

- Lamps that are recycled: Fluorescent (straight, compact, circular, and u-bend), UV lamps, flood lamps, incandescent, halogen, HID, and coated lamps.
- Ballasts are collected and properly handled.
- Other items recycled: Batteries and computer hardware.

Bethlehem Apparatus Co., Inc.

890 Front St., P.O. Box Y, Hellertown, PA 18055

(610) 838-7034, Fax (610) 838-6333

E-mail Address: info@bethlehemapparatus.com

Web site: www.bethapp.com

- Lamps that are recycled: Fluorescent (tubes, compact, circular), quartz, HID, and ultraviolet
- Mercury items are collected for recycling

Earth Protection Services, Inc.

10 South 48th Ave, Ste #4, P.O. Box 23820, Phoenix, AZ 85063-3820

1-800-414-0443, Fax (602) 353-9285

E-mail Address: earthpro@fiberpipe.net

Web site: www.earthpro.com

- Lamps that are recycled: Fluorescent (straight, u-tube, compact, and coated), bi-ax, low and high pressure sodium, HID, mercury, metal halide, and neon
- All ballasts are accepted. PCB ballasts are accepted and transported to a recycler of PCB ballasts.
- Other items recycled: Amalgams, batteries, CRTs, ignition tubes, manometers, metallic mercury, switches, thermometers, TVs, circuit boards
- This company has multiple locations
- Notes: They will provide all of the necessary containers and documentation for collecting, sorting, storing and shipping fluorescent, HID and incandescent lamps, ballasts, and other spent mercurial products.

Eastern Environmental Technologies

47 Purdy Ave, Port Chester, NY 10573

1-800-808-7227, Fax (914) 934-9659

E-mail Address: info@easternenvironmental.com

Web site: www.easternenvironmental.com

- Lamps that are sent off site for recycling: Fluorescent, HID, and incandescents.
- PCB ballasts are accepted and transported to a recycler of PCB ballasts.
- Other items recycled: PCB and non-PCB transformers, batteries, lead, and any mercury waste

Envirolights

4 Wilder Dr., Unit 7, Plaistow, NH 03865

1-800-355-4479, Fax (603) 378-0816

Email Address: sales@envirolights.com

Web site: www.envirolights.com

- Lamps that are recycled: Fluorescent
- Ballasts are accepted and sent to EPA approved incinerator.
- Other items recycled: Batteries and electronics.

Environmental Recycling

527 East Woodland Circle, P.O. Box 167, Bowling Green, Ohio 43402

1-800-284-9107, Fax (419) 354-5110

Email Address: sales@envrecycle.com

Web site: www.envrecycle.com

- Lamps that are recycled: Fluorescent (straight, compact, shielded, coated, u-shaped, and circular), HID, and incandescent.
- The company handles ballasts and transformers.
- Other items that are recycled: Mercury switches, ignitron tubes, computer equipment and batteries.

Everlights

9901 S. Torrence Ave., Chicago, IL 60617

(773) 734-9873, Fax (773) 734-9874

E-mail Address: info@everlights.com

Web site: www.everlights.com

- Lamps that are recycled: All lamps
- PCB ballasts are accepted and recycled/incinerated.
- This facility transports wastes
- Other items recycled: lead containing devices, electronic equipment and batteries.

Fluorecycle, Inc.

27780 W. Concrete Dr., Unit A, Ingleside, IL 60041

(815) 363-4411, Fax (815) 363-4422

Email Address: sales@fluorecycle.com

Web site: www.fluorecycle.com

- Company will not provide transportation in Missouri.
- Lamps that are recycled: Fluorescent & HID bulbs are recycled.

Full Circle Recyclers

509 Manida St., Bronx, NY 10474

1-800-775-1516 or (718) 328-4667, Fax (718) 328-4462

E-mail Address: rwaxell@fc recyclers.com

Web site: www.fc recyclers.com

- Lamps that are recycled: Fluorescent, incandescent, HID, mercury vapor, metal halide, and high and low sodium
- PCB ballasts are accepted and transported to a recycler of PCB ballasts
- Other items recycled: Transformers, capacitors, PCB oil and soil, and batteries

Green Lights

10040 Davenport St. NE, Blaine, MN 55449-4327

1-800-208-8340, Fax (763) 785-0453

Email Address: GREENLIGHTS@worldnet.att.net

Web site: www.greenlightsrecycling.com

- Lamps that are recycled: All fluorescent lamps
- Other items recycled: Other mercury containing devices, ballasts, electronic devices, and appliances.

Lamp Recycling, Inc.

712 Packerland Dr, P.O. Box 12027, Green Bay, WI 54307-2027

1-800-558-1166 or (920) 592-1166, Fax (920) 592-1161

E-mail Address: customerservice@lamprecyclers.com

Web site: www.lamprecyclers.com

- Lamps that are recycled: Fluorescent, mercury vapor, metal halide, sodium vapor, and incandescent
- Ballasts are collected for recycling
- Other items recycled: Batteries and computer components
- Notes: The phosphor powder is sent to another company to complete the recycling. Ballasts are collected at their facility and shipped to another company for final disposition.

Lighting Resources, Inc.

805 E. Francis St., Ontario, CA 91761

1-888-923-7252

E-mail Address: LRlrecycles@aol.com

Web site: www.lightingresourcesinc.com

- Lamps that are recycled: Fluorescent, HID, compact, U-tubes, UV, Mercury Vapor, sodium
- PCB ballasts are accepted and transported to a recycler of PCB ballasts
- Other items recycled: Batteries, full fixtures, mercury devices, CRTs, TV and video monitors
- This company has multiple locations

Luminaire Recyclers, Inc.

2161 University Ave W, St. Paul, MN 55114

(612) 649-0079

E-mail Address: bbe3773931@aol.com

- Lamps that are recycled: Fluorescent, compacts, shatter shield, circular, U-shaped, ultra-violet, ignitron, incandescent
- PCB ballasts are accepted and transported to a recycler of PCB ballasts
- Other items recycled: Batteries and transformers

Mercury Wastes Solutions, Inc

21211 Durand Ave., Union Grove, Wisconsin 53182-9711

1-800-741-3343, Fax (262) 878-2699

E-mail Address: uniongrove@mwsinc.com

Web site: www.mwsinc.com

- Lamps that are recycled: Fluorescent and HID lamps.
- Ballasts are shipped to EPA approved facilities.
- Other items recycled: mercury-containing devices.

Northeast Lamp Recycling, Inc

250 Main St., P.O. Box 680, East Windsor, CT 06088-0680

1-888-657-5267

E-mail Address: nrlamp@nrlamp.com

Web site: www.nrlamp.com

- Transportation in Missouri can be contracted.
- Lamps that are recycled: Fluorescent (straight, u-line, circle line, and biax / compact), HID, and HPS
- Ballasts accepted for recycling.
- Other items recycled: Batteries, computers and electronic equipment.

Onyx Electronics Recycling

700 East Butterfield Road, Suite 201, Lombard, IL 60148

1-800-667-2387

Email Address: info@onyxes.com

Web site: www.onyxes.com

- Lamps that are recycled: Fluorescent.
- Ballasts are recycled.
- Other items recycled: Mercury-containing items, PCB and non-PCB electrical equipment, transformers, batteries, computers, and electronics.
- Multiple locations (44 across United States).

Recycle Technologies, Inc. (RTI)

1480 North Springdale Road, Waukesha, WI 53186

1-800-305-3040, Fax (262) 798-3053

Email Address: info@recycletechnologies.com

Web site: www.recycletechnologies.com

- It is unknown if transportation is provided.
- Lamps that are recycled: Fluorescent
- Ballasts are recycled. PCB waste is sent to EPA approved incinerator.
- Other items recycled: Computers, electronic equipment, batteries, and mercury-containing devices.
